ABOUT LITTLE CAESARS

Headquartered in Detroit, Michigan, Little Caesars was founded in 1959 as a single, family-owned restaurant. Since then it has become the third largest pizza chain in the world* with restaurants in more than 29 countries and territories worldwide, including in each of the 50 U.S. states.

Little Caesars is one of the rare iconic brands with room to grow, and we're accelerating our franchise developments by targeting key markets across the country. Our unique concept offers low square footage, an optimal number of employees and grab-and-go service, which help to keep costs low and margins high. Little Caesars has the perfect restaurant design for every market.
