ABOUT WINGSTOP

Founded in 1994, Wingstop is one of America's fastest-growing restaurant brands, with over 3,000 locations across 17 global markets. The brand continues its rapid expansion, opening 493 net new restaurants in 2025 and generating an average unit volume of $2 million. Known for its bold flavors and signature wings, Wingstop appeals to a broad customer base and is actively seeking new retail locations to support its continued growth.
